SUBJECT: Employment of Civil Service Retiree as WAE Consultant

STATINTL

1. Confirming our telephone conversation, 5 December 1952, it would be appreciated if you would determine the eligibility for Mr.  employment as a WAE Consultant to OSI, compensation for such employment to be concurrent with his present CSC retirement compensation.

2. In the attached copy of the proposed staff study, you will note the suggested use of unvouchered funds. This procedure was suggested since it was considered that the use of these funds might facilitate arrangements. From a security standpoint, payment from vouchered funds would be appropriate.

3. I will be happy to supply any additional information you may require.
